

Help your customers find what they are looking for

Adeptic Search eCommerce is a complete solution for search and navigation in online ecommerce shops. The technology works as a skilled and well trained salesperson that guides the customers through all choices, while focused on the end goal - selling. Adeptic Search eCommerce understands your customers' needs and possesses comprehensive knowledge of all your products and services.

The main objective of Adeptic Search eCommerce is to increase your revenue by converting visitors to customers. Adeptic Search eCommerce has been developed in cooperation with some of the most successful ecommerce shops in Scandinavia for this purpose. Return on investment (ROI) is often gained within months due to the very beneficial subscription pricing models.

Our flexibility allows you to choose between who hosts Adeptic Search eCommerce; you, your hosting partner or even Adeptic. No matter which solution you go for, Adeptic Search works well with all known ecommerce systems, Wipcore, Litiium Scensum, IBM, Magento, ATG and CommerceX.

Get started with Adeptic Search eCommerce in a matter of days. Our flexibility and effectiveness creates endless possibilities to help achieve optimal affects well into the future.
